Honorable H. Alexander Smith

Dear Alex:

I want to let you know that I have now read the article you mentioned in your letter of 3 June. Needless to say, my people here also found your letter most interesting and are closely following the developments in Korea during this critical period. Of the many factors involved, it seems to me that the economic conditions in Korea need immediate attention and certainly warrant our full cooperation at this time.

Insofar as the news article you invited to my attention is concerned, it is something less than accurate. For your information, we were well aware of the Korean coup planning and of the officers involved long before the actual coup took place.

Again, many thanks for your thoughtfulness and with warm personal regards,

Sincerely,

SIGNED

Allen W. Dulles
Director

P.S. Also, many thanks for your letter on my appointment as Trustee of Princeton. I feel this is a high honor and opportunity.
